

21 DAYS OF PRAYER

Day 2:

Focus for Today:

Today spend some time praying for your immediate family. Those closest to you such as your mother, father, brothers, sisters, spouse, children, etc. You could pray that God's love would be evident in the your immediate family. You may also want to pray that your actions would emulate God's love for them. Or pray for situations in the immediate family where reconciliation needs to take place. Also consider praying for anyone in your immediate family who does not know Jesus and that they would come to know Him and His love for them!

Daily Scripture:

1 John 4:19: We love because He first loved us.

Prayer Example:

Father, I thank you for my immediate family, my parents, brothers, sisters, kids & spouse. I pray that love would be a guiding principle in our family and be an extension of your love for us. I pray also that I would emulate your love in all my interactions with them. I pray for relationships that are strained and need reconciliation. And for each one of them who have yet to find and follow you! I pray that all of them (along with myself) would come to know how wide, how long, how high, how deep your love for us is. In Jesus name I pray, Amen.
